## Fetal Infant Mortality Review Community Stakeholder Meeting

### **FIMR: Local Community Insight on the National Crises**

Florida Institute for Health Innovation is pleased to announce our upcoming community forum – **FIMR: Local Community Views on the National Crises**, on Friday August 28, 2020 from 9:30am-11:00am. In the face of systematic inequities and with COVID-19 disproportionately impacting communities of color, join us for a discussion focused on how these national crises are affecting our community.
